Grounding for Transformed Lives: Integrity and Simplicity

What is the interplay between simplicity and integrity in the life of our meeting?

How does our meeting embody simplicity and integrity in its structures and practices?

How has our meeting considered humanity's impact on the earth's ecological integrity and the ways in which violence and injustice exacerbate this impact?

How do I strive to achieve harmony between my inner and outer commitments in my spiritual journey, my work, my family and my other responsibilities?

Am I temperate in all things?

Am I open to counsel regarding addictive behavior?

Am I involved only with those organizations and activities whose purposes and methods complement my integrity?

Am I careful to speak truth as I know it and am I open to truth spoken to me?

Am I mindful that judicial oaths imply a double standard of truth?

Movie Night – The last movie night for the season is on August 12th. ET will be shown.

Meeting for Business – Meeting for Business is held the second Sunday of each month. Worship time is shortened to 45 minutes on this Sunday.

Ponderings – Conversations where we explore our thoughts and get to know each other makes our community stronger. This is the aim of Ponderings. Each month we will explore a thought, a statement or a question. We will let this lead us where it may. We hope to hold Ponderings the third Sunday of each month. This will follow 11s (snacks after Meeting for Worship). Everyone is encouraged to pick something on their mind to lead our Ponderings. Let Linda (linda6stn@gmail.com) know your thoughts.

Adult Education – Look for further information on Google groups.

Religious Education - Religious Education will resume in September.

Flea Market

Most of you know the Flea Market. You have joined in and worked with us many a year. It's a day we work together, get to know each other, have fun and build a strong sense of community. For those of you that are new, please join in!

We need help especially with food and parking. Also bake sale, White Elephant sale, book sale and help getting ready and breaking down. Let me or someone on the Flea Market committee know what you want to do or we may reach out to you. It's work but a fun day and after we are done we celebrate! Join us!

Your legacy can be simple and clear; I was here, and I cared, and it showed.
